

**Proceedings of the 131<sup>st</sup> Meeting of the Professors' of the IARI held under the Chairmanship of Dr. R.K. Jain, Dean and Joint Director, IARI on 4.10.2018 at 4.00 P.M. in the Board Room of the Directorate.**

A meeting of Professors of the teaching disciplines was held under the Chairmanship of Dr. R.K. Jain, Dean and Joint Director (Edn.) to discuss some emerging issues owing to admission of M.Sc. students for the academic session 2018-19 in the middle of first trimester. The following decisions were taken:

1. The M.Sc./M.Tech. students have been admitted at IARI on 1.10.2018, a gap of 9 weeks from the commencement of I-Trimester. For smooth conduct of the classes as per the listed courses in all the disciplines and to makeup the missed classes, it has been decided to extend the first trimester by two weeks i.e., upto 1.12.2018 for the Academic Session 2018-19. The II-Trimester shall commence from 3.12.2018 with no winter break (Annexure-I).
2. The above decision/ arrangement shall be informed to the Academic Council as well as to the Education Division of ICAR to resolve the minimum residential requirement condition.
3. The Professors were advised to revise the time table and class schedule for all the courses offered during I-Trimester in their respective disciplines and to submit the same to PG School by 8.10.2018.
4. Few other issues like Major/Minor discipline courses, PGS courses and other compulsory courses, credit load for newly admitted M.Sc./M.Tech. students, time table, etc. were discussed in detail and resolved during the meeting.

The meeting ended with a vote of thanks to the Chair.
